

Blackhawk Ski Jumping Program

Intro Class for Spring Ski Jumping

Purpose: Blackhawk's Introduction to Spring Ski Jumping class is designed for young skiers who like going off little jumps and are looking for a new challenge and some fun. Ski jumps provide the young skier with a safe environment specifically designed to allow jumpers to fly close to the ground. Jumpers begin on very small jumps and progress to larger jumps as they gain confidence and skill.

Requirements:

- ❖ Must be at least 5-years old
- ❖ Must be able to ski down hill #2
- ❖ Must be confident stopping
- ❖ Must be able to ride the tow rope
- ❖ **An adult guardian must be present during lessons.**

Schedule:

- ❖ **Tuesday lessons** will take place from **5:30 – 6:15 p.m.** beginning on May 17th
 - Lessons cancelled due to weather will be made up on Thursdays, when possible.

Cost: The fee is \$100 for six, 45-minute lessons.
(If you have a need to make up a lesson on another day, that can be arranged.)

Equipment: Jumpers are required to have their own alpine skis, ski helmet, and leather gloves/mittens. Specialized jumping skis are not needed. If, however, the coaches, parent, and jumper together determine that the jumper is ready to move up to jumping skis, that can be arranged.

Questions: Contact Christine Gessner at jumping@blackhawkskiclub.org
